

# KESWICK ISLAND GUEST HOUSE

## Your Hosts Lyn & Brian Kinderman Look Forward To Welcoming You...

Keswick Island Guest House is located on Keswick Island, the most southerly of the Whitsundays. We are just 32 kilometres north east of the tropical Queensland city of Mackay. Keswick Island is a National Park with five sandy beaches and fabulous fringing coral reef.

There are no shops, no cars & no stress. Choose a book from the library, or snorkel our fabulous coral reef. Watch whales play from the deck from July to September. Go bushwalking & see the 1000 year old Cycad, or watch the sea eagles & kites dive for fish. Enjoy a swim in the crystal clear waters of Basil Bay, or just relax in the shade.

The Keswick Island Guest House offers four large guest rooms; Paperbark, Blueberry Ash & Pandanus are downstairs & Driftwood is upstairs. All rooms feature king beds & ensuite bathrooms with delightful Tree of Life toiletries & Rainforest Remedies lemon myrtle soap. Each room has a built-in wardrobe, bedside tables & lamps, ceiling fans, a 2 seater sofa & a chest of drawers or sideboard.

The 3 downstairs rooms have direct access to our spacious deck with panoramic views of the Coral Sea & neighbouring islands. Driftwood can be configured with 2 king single beds if required. This room has views seaward & towards Mackay.

A holiday with us is a gourmet experience with all meals included during your stay. Enjoy a cold beer or a glass of wine with your meal. Chat with the locals & watch the bats fly at dusk. Keswick Island is secluded & remote, yet only a 15 minute flight from Mackay via Island Air.
